

Another successful.....

MSTSA Student Workshop

Traverse City, 2008 Fall Workshop

The Michigan Surgical Technology Student Association (MSTSA) is focused on providing educational opportunities for students to enhance their professional career, patient care, and involvement within the profession.

On October 4th, 2008 the Michigan Surgical Technology Student Association hosted a Student Workshop and Student Forum Event during the annual Fall Workshop! It was another successful student event in which students were able to unite, share their passion and dedication, as well as meet other students from around the state!

Our 2 hour student event was filled with a variety of student activities in order to honor, acknowledge, and welcome Michigan Surgical Technology Students to our highly dedicated professional organization! Some of the highlights of our student workshop included the following events!

Student Forum topics included an introduction and discussion regarding: AST, MSA-AST, ARC-ST, NBSTSA, Certification,

Government and Public Affairs, Continued Education Credits, Job Outlook, and how to climb the " Association/Clinical Ladder"

Student Activities Included: Student Networking, Student Hands-on Workshop, and of course a raffle in order to win prizes! We can honestly say that no student went home empty handed!

Thank you to all of the students who attended our Student Workshop! We hope you had an educational and enjoyable experience! You are the Future of our Profession! See you in the spring for our 2009 Annual Scrub Bowl! Stay Tuned ☺

MSTSA Hands-On Workshop!

Students, we highly encourage you to contact an MSTSA advisor anytime with any questions you may have regarding the profession including: state and national workshops, certification, student associations, community service, the clinical ladder, and how you can become more involved in the profession! Also, if you have any pictures of your graduating class, please share your pictures with us ☺ We are always more than happy to help and always happy to hear from you!

Sincerely,

[Carrie Schrepfer, CST, BHS- MSTSA Advisor, BOD](#)

[Julie Jackson, CST -MSTSA Advisor, Education Committee Chairperson](#)
